

2. Why do you think that the title is appropriate for the story "The Truthful dove"?

Answer: I think that the title is appropriate for the story of the truthful dove. In the story we see that the dove and bat were two friends. For certain reasons they took shelter to an owl. The bat was greedy, so he started to praise owl falsely for eating more food. Actually the owl was not good for praise. But the dove was not greedy, he was honest and truthful. He did not praise the owl falsely. He knew if he did not praise the owl, he would be punished for. Still he told the truth, he never praised the owl. So, I argue that the Dove was really truthful and the title is appropriate for this story.
