A dialogue between me and a stranger on how to get to the school .
After the conversation is some useful tips on asking and giving directions.

Stranger : Excuse me , brother ,can you help me ,please ?

Myself: Yes, how can I help you ?

Stranger : Actually i don't Know the exact location of a place where i want to go?

Myself: Where do you want to go?

Stranger : I want to go to Madaripur Govt. High School .

Myself: Oh! It's not very far . Go along this street about 100 meters .You will see a post office then **turn right**.Go along the road again about a 200 meters .You will see a Court Bhaban then **turn left** . Go straight and the school is in **front** of you.

Stranger: Go along up to the post office - **turn right**- go along a few meters - the school is on the In front of me..

Myself: It's ok .

Stranger : How can i go there?

Myself: On foot.You can also hire a rickshaw . Are you a newcomer?

Stranger : yes ,I have come here to take part in the admission test for class seven
In that school

I

Myself: It's ok .

Stranger : How can i go there?

Myself: On foot.You can also hire a rickshaw . Are you a newcomer?

Stranger : yes ,I have come here to take part in the admission test for class seven
In that school

Myself: When will the exam start?

Stranger : It will start at 10:00 am

Stranger : How can i go there?
